

The purpose of this profile is to give an overview of the needs of the 5-24 years population of Torquay. This is to provide a local summary of key statistics to help understand the population and improve outcomes.

For profiles of other local geographies and/or age groups please visit: www.southdevonandtorbay.info.

Headlines* (children 5-24 years compared to Torbay and CIPFA nearest neighbours):

- There are more children living in poverty;
- More children are eligible for free school meals (due to lower family income);
- More children live in lone parent households;
- Over 1 in 5 children have a special educational need or disability in Torquay;
- More children provide unpaid care;
- There are higher rates of domestic abuse where children are present;
- Levels of support from statutory children’s services are higher in Torquay;
- There are more safeguarding hub queries;
- Less children achieve 5+ (A*-C) GCSEs including English and Maths;
- Emergency self-harm admissions are higher;
- Emergency, elective and ambulance admissions to hospital are higher.

*For more info see the spine chart on page 2.

In 2015 there were around 14,150 young people aged 5-24 living in Torquay (around 21% of the total Torquay population). Compared to Torbay, Torquay generally has a younger population as shown in Figure 1.

Fig 1: Population distribution of Torquay

Source: ONS mid-year population estimates 2015

In general, the 5-24 years population has remained fairly static over the years and is expected to continue to do so in the future as shown in Figure 2 below.
