

The purpose of this profile is to give an overview of the needs of the population of Paignton town. This is to provide a local summary of key statistics to help understand the population and improve outcomes.

For profiles of other local geographies and/or age groups please visit: www.southdevonandtorbay.info.

*For more info see the spine chart on page 2.

In 2015 there were around 50,300 people living in Paignton (around 38% of the total Torbay pop). More than 1 in 4 residents are aged 65 years and over. Compared to England, Paignton has an older population profile as shown in Figure 1.

Fig 1: Population distribution of Paignton

Source: ONS mid-year population estimates 2015

In general the population has steadily increased and is expected to continue to do so (Figure 2).

Headlines* (total population compared to Torbay and CIPFA nearest neighbours):

- Paignton has a high proportion of dependents compared to working age;
- Less residents live in an area amongst the 20% most deprived in England;
- There is a significantly lower Black Asian Minority Ethnic (BAME) population;
- Less residents are divorced or separated;
- Overcrowding, fuel poverty and housing conditions are better;
- Crime, domestic abuse and anti-social behaviour rates are lower;
- Less have a mood and anxiety disorder;
- There are lower emergency admissions and fewer trips to hospital by ambulance.

How to read the profile below: The black line running down the middle of the spine chart is the Torbay average, the circles (to the left or right) are the Paignton value, compared to the Torbay average. The pink diamonds represent the CIPFA nearest neighbour's average. The colours are explained in the key below.

ID	Indicator	Measure	Area	CIPFA	England	Torbay
Demography						
1	Average age (2011)	Years	45.5	42.8	39.8	38.7

Indicator notes:

- Average age for the total population [ONS]
- % of dependents (<15 & 65+ yrs) per working population [ONS]
- Years of male life expectancy from birth [PCMD; ONS, PHE]
- Years of female life expectancy from birth [PCMD; ONS, PHE]
- Years of male disability free life expectancy from birth [PHE Local Health]
- Years of female disability free life expectancy from birth [PHE Local Health]
- Directly age standardised (DSR) all-cause mortality rate per 100,000 [PCMD; ONS]
- DSR all-cause premature (<75yrs) mortality rate per 100,000 [PCMD; ONS, PHE]
- % of population living in areas amongst 20% most deprived in England [DCLG]
- % of population reporting to be Black Asian Minority Ethnic (BAME) [CENSUS]
- % of population reporting to have a religion [CENSUS]
- % of population reporting to be divorced or separated [CENSUS]
- % of population reporting to be in a same-sex civil partnership [CENSUS]
- % of households with 1 room or fewer than required for occupants [CENSUS]
- % of households who privately rent accommodation [CENSUS]
- % of households who socially rent accommodation [CENSUS]
- % of households living in fuel poverty "Low income, High Cost" measure [DECC]
- % of population living in areas amongst 20% most indoor environment deprived in England [DCLG]
- % of households with no cars/vans available for use by household [CENSUS]
- % of population who cannot speak English or speak English well [CENSUS]
- Rate of total crimes per 1,000 population [Data.Police.UK]
- Rate of domestic abuse crime per 1,000 population [Police universal dataset]
- Rate of antisocial behaviour per 1,000 population [Data.Police.UK]
- % reporting bad health status and long-term health problem/disability [CENSUS]
- % of population living in areas amongst 20% most mood and anxiety deprived in England [DCLG]
- DSR urgent care (ED & MIU) attendances per 100,000 population [HES; ONS]
- DSR emergency non-elective admissions per 100,000 population [HES; ONS]
- DSR elective admissions per 100,000 population [HES; ONS]
- DSR emergency readmissions within 30 days per 100,000 population [HES; ONS]
- DSR ambulance trips which result in a 'see and convey' to hospital [SWAST]
